

## Respondent Info

**Name:**

**Birthdate:** 7/2/1996

**Address:**

**Phone:**

**Date When Assessed:** 9/23/2011

**Age When Assessed:** 15

**Student Email:** @yahoo.com

**Parent/Guardian Name:**

**Parent/Guardian Address:**

**Second Parent/Guardian Name:** (Not Provided)

**Second Parent/Guardian Address:** (Not Provided)

**Parent/Guardian Email:** (Not Provided)

**Household Language:** English

**Gender:** Male

**Grade:** 9

**Ethnicity:** White/Non-Hispanic

**Household Education:** Some college

**Usual Grades:** Mostly Bs and Cs

**Live With:** Mother Only

## Involvement Preferences:

- Would like more information on paying for college
- Would like more information on how and when to apply for financial aid
- Would like more information about how and when to apply for scholarships
- Would use tutoring (if it were available)
- Would like to take Algebra I
- Would like to talk with counselor about plans or hopes for the future
- Would like to formulate career plan for high school and beyond
- Would like help or advice with homework
- Would like help or advice in learning about ways that the student learns best
- Would like help or advice in learning about the different options for education and training beyond high school
- Would like help or advice with which college admission test to take
- Would like help or advice in getting ready for college admission tests
- Would like help or advice in how to earn college credit while in high school
- Would like help or advice in getting along with others
- Would like to take part in college visit
- Would like to take part in learning experience on a college campus
- Would like to visit a worksite in a field of work that interests you
- Would like help with English or language arts

**School Engagement Concerns:**

- Poor Attendance
- Learning Disability
- Suspension or expulsion
- Zero homework hours per week

**College Readiness Concerns:**

- No geometry or above
- No career plan
- No knowledge of preparatory courses
- No college visit
- No college admission or pre-admission test
- No knowledge of college admission requirements
- Learning Disability
- Has issue that could prevent postsecondary participation
- Less than five hours of homework per week
- Never written a long paper (10 or more pages with cited sources) in high school
- Rarely or never talks about college plans

**Career Readiness Concerns:**

- Hasn't examined occupational or educational information to find out what high school courses would be helpful for college major or program of study
- Doesn't have career plan
- Hasn't talked with a school counselor or advisor about plans or hopes for the future
- Hasn't read about possible careers using a computerized career information system
- Hasn't taken part in job shadowing (spending time with someone in the workplace to learn about the person's career)

**Key Benchmarks:**

- Student reports submitting homework on time almost always or most of the time
  - Student reports perception that teachers would rate the student's behavior as excellent or good
  - Student reports making best effort in class almost always or most of the time
  - Student has plans to pursue postsecondary education
  - Student reports goals for high school that include preparing for education or training beyond high school
  - Student reports that education is very important to future career
  - Student plans to take at least 3 years of mathematics in high school beyond Algebra I
  - Student reports the perception that school is providing "a lot" of preparation for the future
-

## Education

9/23/2011 2:41:00 PM

1. How confident are you in your understanding of the course requirements for high school graduation?

Extremely confident

Very confident

Somewhat confident

Not confident

2. In a usual week, about how many hours do you spend on homework outside the classroom?

0 hours

Less than five hours per week

Five hours or more but less than ten hours per week

Ten hours per week or more

3. How often do you turn your homework in on time?

Almost always

Most of the time

Sometimes

Rarely or never

4. How often do you take part in classroom discussions and activities?

Almost always

Most of the time

Sometimes

Rarely or never

5. Check any of the following that apply to you.

You have missed school several times due to a serious illness

You are a foster child or ward of the court

You have a physical disability

You have a learning disability

6. Check any of the following that apply to you.

You will have to take more than four years to complete high school

You are employed more than 15 hours per week

You change schools often (once a year or more)

You have repeated a grade or more in school

You are older than most students in your grade by at least one year

You are younger than most students in your grade by at least one year

You have missed school because of suspension or expulsion

The first language you learned to speak was a language other than English

You have taken a test that is required to graduate from high school and received a non-passing score.

You don't have anyone to guide or advise you about your future education and work.

You have transportation problems that cause you to miss school or be late to school.

7. How many days have you been absent from school in the past school year?

0 days missed

4 or fewer days missed

5 - 10 days missed

11 or more days missed

8. How would teachers generally rate your classroom behavior?

Excellent

Good

Fair  
Poor

9. How often do you seek help when you don't understand something from class?

Almost always

Most of the time

Sometimes

Rarely or never

10. If you need to seek help for a problem that affects your school performance, do you know where to get help?

Almost always

Most of the time

Sometimes

Rarely or never

11. Would you use tutoring (one-on-one help in a subject), if the service were available?

Yes

Possibly

No

12. How would you rate your scores on important tests?

Above average

Average

Below average

13. How often do you use the Internet in doing school work?

Almost always

Most of the time

Sometimes

Rarely or never

14. Where do you access the Internet? (Check all that apply)

School

Home

Public library

Friend's house

You do not have access to the Web and the Internet

15. How often in your classes do you make your best effort?

Almost always

Most of the time

Sometimes

Rarely or never

16. How interesting are your classes to you?

Very interesting

Somewhat interesting

Somewhat boring

Very boring

17. How challenging are your classes?

Very challenging

Challenging

Not very challenging

Not challenging at all

## College Readiness

9/23/2011 2:41:00 PM

1. What is the highest level of education and training that you plan on obtaining?

Bachelor's degree or higher --usually four or more years of postsecondary education

Associate's degree--usually two or more years of postsecondary education

Apprenticeship (one or more years of structured on-the-job training)

Certificate in technical, business, or other areas--usually one to two years beyond high school

High school diploma

Graduate equivalency degree (GED)

Less than high school completion

2. How confident are you in your understanding of which high school courses you should take to prepare for education and training following high school?

Extremely confident

Very confident

Somewhat confident

Not confident

3. What do you want to accomplish in high school? (Check all that apply.)

Prepare for education or training beyond high school

Prepare to enter the work force immediately after graduation from high school

Prepare for an apprenticeship (on-the-job training that leads to a special license)

Prepare to qualify for the military

Prepare for a religious mission

Prepare for community service

4. Check if you have done any of the following: (Check all that apply.)

Learned about the classes to take that will prepare you to be successful in college

Visited a college campus to learn more about the school and what it has to offer

Learned about college admissions requirements

Taken the PSAT or PLAN (pre-ACT)

Taken the SAT or ACT

Taken special classes or online training to prepare for college admission tests

Taken part in a learning or enrichment activity on a college campus

Learned about the qualifications needed to enter the postsecondary programs that interest you

Filed a Free Application for Federal Student Aid (FAFSA)

Learned about how much financial aid you (and your family) might receive by using a financial aid estimator

Completed the application process for a college, university, or other postsecondary program.

Participated in a program that leads to earning college credit while in high school

Successfully completed at least one class that qualifies for college or university credit

Investigated housing options at the college, university, or other postsecondary program that you plan to attend

Participated in a comprehensive college access program that includes mentoring, academic support, and career and college planning.

5. Are you a participant in a program that promises to help pay for your college expenses?

Yes

No

Not sure

6. If you answered YES to the question above, please enter the name of the program in the box below.

Free Response: 21st century scholars

7. I would like more information about the following: (Check all that apply.)

How to pay for college or other education and training

How and when to apply for financial aid for college

How and when to apply for scholarships

Who is eligible to apply for government-sponsored financial aid for postsecondary education

8. How much do you talk about your college or other postsecondary plans?

Very often - daily or almost every day

Often - at least once per week

Sometimes - two or three times per month

Rarely - once in awhile

Never or almost never

9. How important is education to your future career?

Very important

Somewhat important

Not important

10. Do you plan to get your education and training following high school in the state in which you are now living?

Yes

No, I would like to go for education or training in another state

No, I don't plan to attend education or training following high school

Unsure

11. Identify the issues and concerns that could get in the way of accomplishing your future plans by checking all that apply.

High cost of education or training

Lack of academic readiness or lack of confidence in your ability to succeed

Undecided about what you want to do with your life

Tired of school

Need to help family by earning money

Not sure about which school or program is better

Unsure about what needs to be done to apply to colleges or other education and training programs

Need to care for and support a child.

12. After you complete all of your education and training, would you like to live and work in the state in which you are currently living?

Yes

No

Unsure

13. List the colleges, universities, or other post-high-school options that interest you.

Free Response: isu

14. For the education or training listed above, please list the major areas of study or training programs that interest you.

Free Response: technolgy

15. Would you like help or advice in any of the following? (Check all that apply.)

Finding out about the different options for education and training beyond high school

Resolving an issue that could prevent your taking part in education and training beyond high school

Which college admission tests to take

How to get ready for college admission tests

How to earn college credit while in high school

16. Would you like to take part in any of the following? (Check all that apply.)

Visit a college or training program that interests you

Participate in a learning experience on a college campus

17. Have you prepared a formal career and course plan (a written plan reviewed by a counselor, advisor, or parent/guardian) for high school and beyond?

Yes

No — but would like to...

No — I am not interested

18. Have you updated your career and course plan for high school and beyond?

Yes

No - but would like to...

No - I am not interested

I don't have a plan to update

19. Have you taken Algebra I?

Yes - passing grade

Yes - did not pass

Yes - currently enrolled

No - but would like to...

No - I don't plan to take algebra I

20. Have you taken Geometry?

Yes - passing grade

Yes - did not pass

Yes - currently enrolled

No - but would like to...

No - I don't plan to take geometry

21. In high school, how many years of mathematics (Algebra 1 and above) have you taken or plan to take?

0

1

2

3

4 or more

22. In high school, have you written long papers (10 pages or more) that included a listing of sources used in writing the paper?

Yes, 4 or more times

Yes, 3 times

Yes, 2 times

Yes, 1 time

Never

23. Check any notifications that you have received:

Acceptance from a college, university, or postsecondary program.

Denial of acceptance from a college, university, or postsecondary program

Placement on a wait list by a college, university, or postsecondary program

Award of an academic scholarship for a college, university, or postsecondary program

Award of an athletic scholarship for a college, university, or postsecondary program

Award of another scholarship (neither academic nor athletic) for a college, university, or postsecondary program

## Future Planning

9/23/2011 2:41:00 PM

1. Place a check next to the people who have been most helpful in your education and career planning. (Check all that apply)

Parent/Guardian(s)

Other family member(s)

Teacher(s)

Counselor(s)

Minister, pastor, or other religious person(s)

Friend(s)

2. Have you taken a career inventory or survey that helps you learn about your career interests?

Yes

No — but would like to...

No — not interested

3. Have you talked with a parent/guardian about your plans or hopes for the future (after you finish high school)?

Yes

No — but would like to...

No — not interested

4. Have you talked with a school counselor or advisor about your plans or hopes for the future (after you finish high school)?

Yes

No — but would like to...

No — not interested

5. Check if you have done any of the following: (Check all that apply.)

Spent time with someone in the workplace to learn about the person's career

Performed volunteer work (unpaid) or voluntary community service

Learned about apprenticeships (on-the-job training that leads to a license in a skilled occupation)

Learned about military entrance requirements

Read about possible careers using a computerized career information system

Learned about how to write a resume

Learned about how to interview for a job

Learned about what jobs will be in demand when you enter the workforce

Learned about what different jobs pay

Learned about how different levels of education affect the amount you earn

None of the above

## Services & Activities

9/23/2011 2:41:00 PM

1. Would you like help or advice in any of the following? (Check all that apply.)

Building better study habits

Homework

Exploring career possibilities

Learning about the ways in which you learn best (determining your learning style)

Understanding different high school diploma options

Making a career choice

None of the above

2. Would you like help or advice in any of the following? (Check all that apply.)

Getting along with others

How to feel safe in school

How to feel better about yourself

How to make and keep friends

How to manage feelings and emotions

How to get along with your family

How to manage money effectively

How to deal with the illness, injury, or death of someone close to you

None of the above

3. Would you like to take part in any of the following? (Check all that apply.)

Engage in volunteer work or community service

Visit a worksite in a field of work that interests you

Participate in an internship (work experience related to your education)

None of the above

4. Would you like to receive help in any of the following subject matter areas? (Check all that apply)

Science

Math

**English/Language Arts**

Social Studies  
Foreign Language  
Computing  
Reading  
None of the above

5. Check any school or community activities that you take part in or plan to take part in. (Check all that apply.)

**Sports**

Student council/student government  
Cheerleading, poms, or dance team  
Academic team(s)  
Academic Club(s)  
Social club(s)  
Community service  
Arts (music, choir, theatre, photography, school paper, and other arts-related activities)  
After-school program  
Community-based activity  
Participation in religious or faith-based organization  
None of the above

6. How much do you think your high school is preparing you for the future?

**A lot**

Some  
Very little  
None
